

On-demand service

CAS PIA®

Work mobile

Mobile versions of your **CAS PIA** implementations created automatically

- ✓ the only solution offered in the Software + Service model
- ✓ individualized CRM customization – included automatically
- ✓ customer's data stays in its original place
- ✓ nothing needs to be installed on the CRM servers

Access your CRM data using any Windows Mobile device
– offline with synchronization – after investing just 15 minutes

Visit

www.MobileConnector.com/CAS
for a free-of-charge, **30 days trial**

*CAS user name
*CAS user password
*CAS server address
*Required field [Continue](#)

If you know a way to make it easier let us know

How it works:

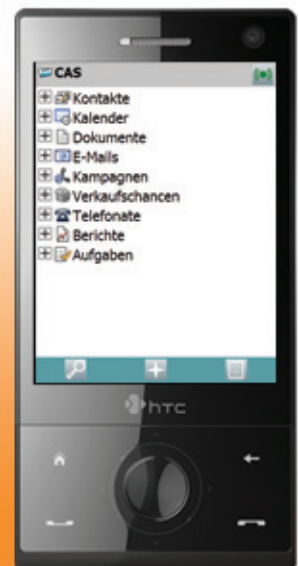

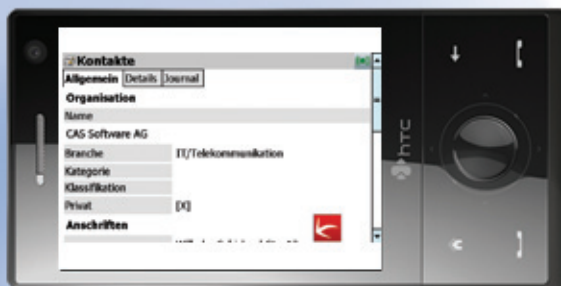

- ✓ go to our service (www.MobileConnector.com/CAS)
- ✓ enter your CAS PIA credentials
- ✓ ... and let the service create mobile version of your CAS PIA

Note:

- ✓ the mobile application generated includes your specific CAS PIA customization (data structure, design, etc.) ... automatically
- ✓ Windows Mobile 6.1, 6.0 and 5.0 devices supported
- ✓ deep integration with Pocket Calendar, Task Manager, and Contacts
- ✓ 30 days free-of-charge trial
- ✓ € 10 per person/month after trial
- ✓ simple month-to-month plan, no long term commitments

Optimal use of the screen size with dynamic screen re-design
